DETAILED ACTION

This action is responsive to applicants' amendment filed May 15, 2005. The amendment has been considered, however, it does not place the claims in condition for allowance.

Claims 1 and 25-39 are pending in this application. Claims 2-24 have been cancelled.

New Grounds for Rejection

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1 and 25-39 are rejected under 35 U.S.C. 102(b) as being anticipated by Herbert et al (US Patent 5,868,771). The patent to Herbert et al discloses a scalpel device having limitations substantially as follow:

- a blade (300) having an orifice (301);
- a handle (13) having a front portion (103);
- a housing (200) to internally retain the blade and slidable on the handle;
- a sliding movement activator (215); and
- a blade disengaging actuator (217) configured to disengage the blade from the handle.

See column 5, lines 37-58. Concerning claim 37, element 206, frictionally engage the blade.

Response to Arguments

Applicant's arguments with respect to claims 1 and 25-39 have been considered but are moot in view of the new ground(s) of rejection.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
